

CERTIFICATE OF PARTICIPATION

Potochylova Iryna

Technological and Economic Professional College
of Mykolayiv National Agrarian University

participated successfully from 23.11.2023 to 30.11.2023 at the seminar in frame of extended HSWT project „Funding for Ukrainian Colledges: Data collection" of the University at Applied Sciences Weihenstephan-Triesdorf.

By actively engaging in various online and offline activities, workshops, and discussions, Iryna Potochylova has gained valuable insights and practical experience in areas such as:

- Introduction to farm-specific economic data collection
- On-farm data collection
- Marginal economic analysis of marketable crop production
- Introduction to economic marginal analysis of animal husbandry
- World café discussions on the problems of data collection for agricultural production in Ukraine
- Introduction to vocational education system in Germany

The Seminar course comprises in total 90 hours of work units* (contact hours and individual preparation and follow-up at home institution).

Prof. Dr. Ralf Schlauderer
Head of HSWT International School
